ONLINE RESIDENT PORTAL

MyHome Online Resident Portal Passwordless Login

With Passwordless Login, you can access your MyHome Online Resident Portal using one of the following login options:

- Continue with Email
- Continue with Google
- Continue with Microsoft
- Continue with Apple

Continue with Email

1. Select Continue with Email.
2. Enter the email address associated with your MyHome Online account and click Send Verification Code.
3. Two options appear:
 - a. To receive a verification code on your mobile device, select Send Verification Code to Text.
 - b. To receive a URL link, select Send Verification Code to Email.

Continue with Google

1. Select Continue with Google.
2. If you're already logged into your Google account on your device, click the link to access your account.
3. If you're not logged into your Google account, complete the Google sign-in screen that appears to be redirected.

Continue with Microsoft

1. Select Continue with Microsoft.
2. If you're already logged into your Microsoft account on your device, click the link to access your account.
3. If you're not logged into your Microsoft account, complete the Microsoft sign-in screen that appears to access your account.

Continue with Apple

1. Select Continue with Apple.
2. Two options appear:
 - a. To log in using your password, enter your Apple password to access your account.
 - b. To log in using a passkey, scan the QR code to access the URL.
